THE WHITE HOUSE

WASHINGTON

PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

6 August 1976

Dick --

The attached memorandum for the record is returned per your request. It was read by Mr. Galvin, Mr. Casey and Dr. Foster, all of whom found it very interesting. Mr. Casey added that his private business contacts have indicated to him that the situation is about as described in the memorandum, so that he was not surprised by what he read.

As I suggested to [redacted] some members of the NIE Evaluation Committee would like to make contact with "B" Team leaders at some point, simply to directly express the Board's interests. Mr. Galvin would like to meet with Dr. Pipes sometime in the next couple of weeks and would be quite willing to do so in Boston or in Washington. I'll contact John to set up a convenient time.

Sincerely,

Lionel H. Olmer
